

Bespoke Education is a leader in academic tutoring, standardized test preparation, college admissions counseling, and executive function coaching. Since 2004, Bespoke's educators have created personalized learning programs that have given students of all ages the knowledge, skills, and confidence to perform at their best. Bespoke's many strengths include:

- Academic tutoring and executive function coaching from grades K to 12; test preparation from grades 4 to graduate school; and college counseling from grades 9 to 12
- More than 200 tutors and coaches, many with tenures exceeding a decade
- Expert coverage across dozens of academic subjects
- Proprietary test prep curricula and practice materials available only to Bespoke's students

OUR SERVICES

Standardized Test Preparation

Bespoke's expert tutors have years of experience with the most important standardized tests and thoroughly understand how to guide students to success. These include:

ACT • ISEE & SSAT • SAT • SHSAT
AP Exams • Hunter Test • Regents Exams
GMAT • GRE • LSAT • MCAT

Proctored Mock Testing available in all locations and online.

Academic Tutoring

Our tutors are accomplished in their fields with the versatility and training to quickly discern students' levels of understanding and to tailor instruction that meets or exceeds specific needs and goals.

Math • English Literature • History
Composition & Essay Writing • Science
Foreign Languages • Computer Science
Economics • Social Sciences • IB & AP

College Counseling

Bespoke has two decades of experience working with high schoolers as early as the 9th grade to gain admission to top colleges and universities.

Bespoke offers multi-year comprehensive counseling packages, à la carte counseling, as well as targeted support in essay development and interview skills.

Executive Function Coaching

Bespoke's professionally trained coaches build important learning and life skills such as:

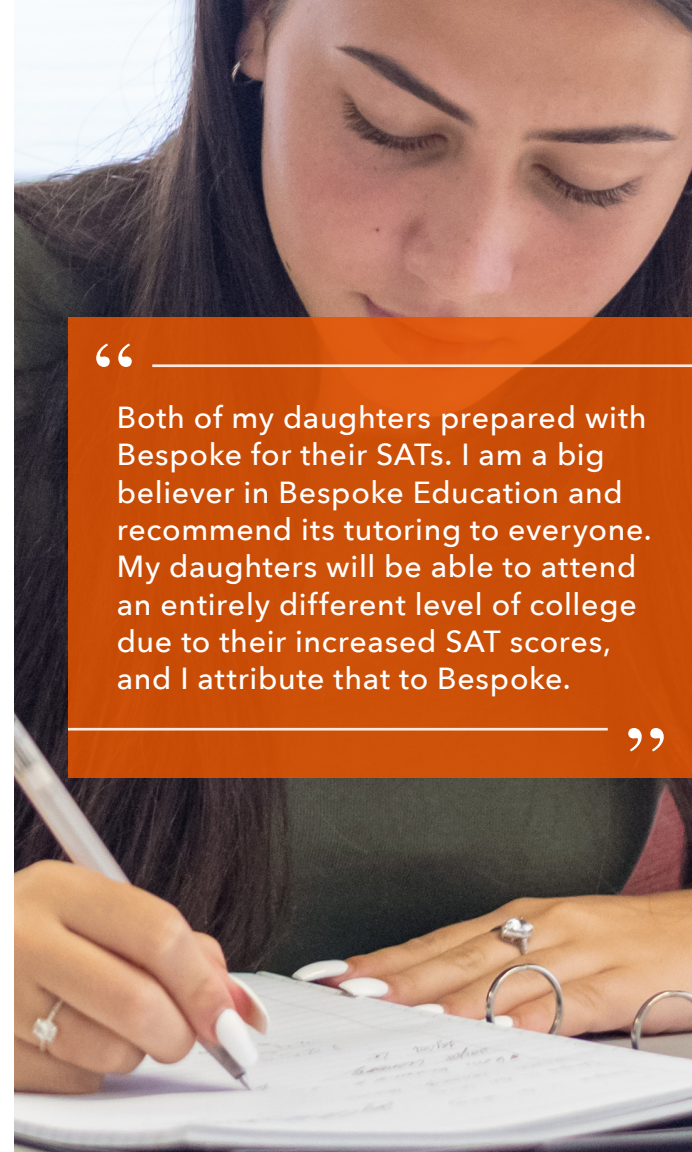

Time Management • Time Prioritizing
Initiating and Planning • Self-Monitoring
Organization and Confidence

Skill building can be integrated with ongoing test prep and academic tutoring or offered as standalone weekly "check-in" sessions—in person or online.

“

Both of my daughters prepared with Bespoke for their SATs. I am a big believer in Bespoke Education and recommend its tutoring to everyone. My daughters will be able to attend an entirely different level of college due to their increased SAT scores, and I attribute that to Bespoke.

”

WHY FAMILIES CHOOSE BESPOKE

A Passion for Education

We hire and train people of extraordinary academic and emotional intelligence who bring track records of student success to every new engagement.

An Individualized Approach

We build plans and lessons around the strengths, priorities, and learning styles of each of our students to create the shortest path to outstanding performance.

Open Communication

We make communication with our families a high priority by establishing multiple points to check in and assess progress.

A Sense of Community

In our work with over 25,000 students, we have built many enduring family relationships as well as partnerships with schools, administrators, educators, and other learning experts.

An Ethical Approach

We aim to instill a strong ethical character in our students. Our tutors never do students' assignments for them.
